

KeyW Wins Prime Award on DISA's \$7.5 Billion Systems Engineering, Technology and Innovation IDIQ Contract

June 21, 2018

HANOVER, Md., June 21, 2018 (GLOBE NEWSWIRE) -- [The KeyW Holding Corporation](#) (NASDAQ:KEYW), a pure-play national security solutions provider for the Intelligence, Cyber and Counterterrorism Communities' toughest challenges, today announced that the [Defense Information Systems Agency](#) (DISA) awarded the company a prime position on the Unrestricted Competition Pool of its Systems Engineering, Technology and Innovation (SETI) contract. Thirty-five companies competed for an award on the \$7.5 billion, 10-year indefinite-delivery/indefinite-quantity contract through a full and open competition with only 14 winners. KeyW won this award in the second quarter of its fiscal year.

Under the contract, KeyW will compete for task orders to provide a range of engineering expertise to research, design, develop, integrate and optimize [Department of Defense](#) information technologies, systems and solutions.

Kirk Herdman, executive vice president, Corporate Strategy and Business Development, commented, "As DISA seeks to leverage a segment of its industrial base to address the warfighters' most critical engineering and technical challenges to interoperable information systems, KeyW is excited for this opportunity to deliver a mix of mature and innovative solutions."

About KeyW

KeyW is a pure-play national security solutions provider for the Intelligence, Cyber and Counterterrorism Communities' toughest challenges. We support the collection, processing, analysis and dissemination of information across the full spectrum of their missions. We employ and challenge nearly 2,000 of the most talented professionals in the industry with solving such complex problems as preventing cyber threats, transforming data into intelligence and combating global terrorism. Statements made in this press release that are not historical facts constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements containing the words "estimates," "believes," "anticipates," "plans," "expects," "will," "potential," "opportunities," and similar expressions. Our actual results, performance or achievements or industry results may differ materially from those expressed or implied in these forward-looking statements, including, but not limited to, express or implied statements concerning: our expectations regarding our future financial performance, including the potential impact of successful contract awards; our bid and proposal pipeline; our ability to achieve projected growth in certain of our business units and the expected timing of such growth; demand for our products, services and solutions serving the intelligence, cyber and counterterrorism communities; and performance of key contracts, including the timing of production related to certain of our contracts and product offerings. Factors that may cause our results to differ, potentially materially, from those expressed or implied in our forward-looking statements include, but are not limited to: risks to our business and financial results related to reductions and other spending constraints imposed on the U.S. Government, including as a result the Federal budget deficit and Federal government shut-downs; risks of adverse regulatory action or litigation; risks that changes, cutbacks or delays in spending by Intelligence Community (IC) customers, including the National Security Agency (NSA), the National Geospatial-Intelligence Agency (NGA), and other agencies within the IC, the Federal Bureau of Investigation, and the Department of Defense (DoD) may occur, which could cause delays or cancellations of key government contracts; risks of delays to or the cancellation of our projects as a result of protest actions submitted by our competitors; risks that changes may occur in Federal government (or other applicable) procurement laws, regulations, policies and budgets; risks related to changes in government and customer priorities and requirements (including cost-cutting initiatives, the potential deferral of awards, terminations or reduction of expenditures to respond to the priorities of Congress and the Administration; and those risk factors set forth in our Annual Report on Form 10-K, dated and filed March 16, 2018 with the Securities and Exchange Commission (SEC), and other filings that we make with the SEC from time to time. Due to such uncertainties and risks, investors are cautioned not to place undue reliance on such forward-looking statements. We are under no obligation to (and expressly disclaims any such obligation to) update or alter our forward-looking statements whether as a result of new information, future events or otherwise.
