

KeyW Awarded \$100 Million in Software Development and Integration Support Work

August 21, 2018

HANOVER, Md., Aug. 21, 2018 (GLOBE NEWSWIRE) -- [The KeyW Holding Corporation](#) (NASDAQ:KEYW) today announced that it has received a contract award with a classified customer developing critical software solutions. The award has an expandable scope, and includes an initial total value exceeding \$100 million over the next four to five years. This award includes a combination of new work and the continuation of software development efforts for classified systems supporting enduring national security missions.

"This project is a great example of a solid government-industry partnership and the commitment of an integrated team to deliver enhanced mission-critical capabilities on schedule," said John Sutton, KeyW's chief operating officer. "KeyW's strategy to use our strong past performance and customer relationships to win the next generation of new work with the most important customers in the national security sector is paying off—and will fuel our growth going forward."

This award will be booked to backlog during the second half of 2018.

About KeyW

KeyW is a pure-play national security solutions provider for the Intelligence, Cyber and Counterterrorism Communities' toughest challenges. We support the collection, processing, analysis and dissemination of information across the full spectrum of their missions. We employ and challenge nearly 2,000 of the most talented professionals in the industry with solving such complex problems as preventing cyber threats, transforming data into intelligence and combating global terrorism. For more information, please visit www.KeyWCorp.com or follow KeyW on Twitter [@KeyWCorp](#).

Statements made in this press release that are not historical facts constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements containing the words "estimates," "believes," "anticipates," "plans," "expects," "will," "potential," "opportunities," and similar expressions. Our actual results, performance or achievements or industry results may differ materially from those expressed or implied in these forward-looking statements, including, but not limited to, express or implied statements concerning: our expectations regarding our future financial performance, including the potential impact of successful contract awards; our bid and proposal pipeline; our ability to achieve projected growth in certain of our business units and the expected timing of such growth; demand for our products, services and solutions serving the intelligence, cyber and counterterrorism communities; and performance of key contracts, including the timing of production related to certain of our contracts and product offerings. Factors that may cause our results to differ, potentially materially, from those expressed or implied in our forward-looking statements include, but are not limited to: risks to our business and financial results related to reductions and other spending constraints imposed on the U.S. Government, including as a result of the Federal budget deficit and Federal government shut-downs; risks of adverse regulatory action or litigation; risks that changes, cutbacks or delays in spending by Intelligence Community (IC) customers, including the National Security Agency (NSA), the National Geospatial-Intelligence Agency (NGA), and other agencies within the IC, the Federal Bureau of Investigation, and the Department of Defense (DoD) may occur, which could cause delays or cancellations of key government contracts; risks of delays to or the cancellation of our projects as a result of protest actions submitted by our competitors; risks that changes may occur in Federal government (or other applicable) procurement laws, regulations, policies and budgets; risks related to changes in government and customer priorities and requirements (including cost-cutting initiatives, the potential deferral of awards, terminations or reduction of expenditures to respond to the priorities of Congress and the Administration; and those risk factors set forth in our Annual Report on Form 10-K, dated and filed March 16, 2018 with the Securities and Exchange Commission (SEC), and other filings that we make with the SEC from time to time. Due to such uncertainties and risks, investors are cautioned not to place undue reliance on such forward-looking statements. We are under no obligation to (and expressly disclaims any such obligation to) update or alter our forward-looking statements whether as a result of new information, future events or otherwise.
